I have the note from Dean Lollar which states that Steve Walker received a NESA membership renewal notice and according to Lollar, Walker is on the Confidential file.

Please be advised that the NESA membership file is not cross-referenced with the registration file.

Paul Ernst and I have conferred on this matter and have concluded that setting up a cross-reference with his file would be impractical.

Tens of thousands of NESA members are not registered in Scouting. It would be counterproductive to require them to do so. NESA membership in no way infers that they are registered in the BSA.

Dear Johnny:

Thank you for the information which you have sent concerning the above-named individual. It certainly appears that this individual should be placed on our file and registration refused.

We would like you to keep us informed of any further action which may take place. If he is charged with any civil action, we would like to know about this in order to strengthen our file.

We would also like to have anything extra which you can possibly give us. In the meantime, I feel we have enough information to maintain a file and refuse registration.

THE PASSENGER SEAT. STEVE REACHED THROUGH
THE CHIPS AND SQUEEZED [REDACTED] ^{ON HIS PERSONAL PARTS.} [REDACTED] QUICKLY

HE REPEATEDLY REQUESTED MY OPINIONS AND ~~SOMETHING~~ MY HELP.

I SAID IT WAS VERY DIFFICULT FOR ME BUT THAT IN MATTERS OF THIS KIND THE BSA PERMITTED NO GRAY AREA.

WE TALKED FOR SOME TIME. HE WAS VERY SHAKEN. HE SAID THAT THIS IS WHAT HAPPENS WHEN YOU MAKE ONE F---UP.

~~I THEN ASKED HIM~~

I THEN SUGGESTED TO HIM (FOR ALL CONCERNED) THAT HE LEAVE CAMP BUT SINCE HE HAD BROUGHT THREE SCOUTS TO THE ORDEAL HE RETURN AND TALK THEM HOME.

Stephen Walker Incident

Saturday August 22

9:30 a.m. Received a call from Mark Anderson from Camp Bill Stark related to perverted sexual advances that Stephen Walker had made the night before toward [REDACTED] and [REDACTED]. Details of what Mark told me are in the report that he has written.

10:30 a.m. Called Regional office and no one was in.

Called Council President Jerry Pennington and he was not home.

Called Council Commissioner Jim Morrison and gave him details of incident.

Called Council Vice President Harvey Randolph and explained situation to him. He agreed to go to Camp Bill Stark with me.

12:00 noon Arrived at Camp Bill Stark and visited with Mark Anderson about details which are included in his report.

1:30 p.m. Steve Walker returned to camp and he, Mark Anderson, Dr. Harvey Randolph and I met and I read him the following statement:

" We have reason to believe that you no longer meet the Moral Standards of Leadership of the Boy Scouts of America. We are making no accusations, you are no longer to serve in any leadership or membership capacity with the Boy Scouts of America effective now. You have the right to appeal this decision by writing the Council President within the next 30 days. We recommend you resign to your troop committee for personal reasons and if you don't we will need to meet with them."

Steve's reaction was one of shock and he ask to talk privately with Mark Addison.

6:00 p.m.

~~Stephen~~ Walker called me at home. Said he was going on vacation for a week and will appeal the decision when he gets back. He said we were questioning his Morale based on what two boys said. He said 3 boys of legal age ask him to go to town for a drink and he did not purchase the beer.

Wanted to know the appeal process and get a copy of it. I told him the process would be for him to write the President who would set us a

Committee to review. If the doesn't like their decision he has the right to appeal to Region and then national.

He mentioned he would want to get an Attorney and have him present.

He said he wanted to keep this as quiet as possible.

Monday August 25

2:00 p.m. Called Wayne Taylor at South Central Region and informed him of the incident.
